MONEY DECISIONS
—(Investments)—
Financial Planning For The Future

Investment decisions need not be time consuming or frightening any longer. With **Money Decisions: Investments** you can put your money to work for you. Make the right investment decisions and plan for your future.

Money Decisions: Investments requires no programming knowledge to use. It is completely pre-programmed and menu driven. Financial terminology is defined and clarified. Examples are presented in detail.

Contains nine different concepts for all of your investment needs.

Required Hardware:

Commodore 16 or Plus/4 computer, Commodore Datassette™, Commodore printer optional.

Commodore Business Machines, Inc.
1200 Wilson Drive • West Chester, PA 19380

Commodore Business Machines, Ltd.
3370 Pharmacy Avenue • Agincourt, Ontario, M1W2K4

Each investment concept is presented in a simple, easy-to-use format. Just enter in your data by responding to easy-to-read prompts. Your answer is quickly calculated and displayed. Calculations may even be printed.

Items are easy to change. After changes, calculations can be run again. Compare results and then make your investment decisions.
